

OMERO: Training Users

Facility Manager Training day

Cambridge, July 2016

Colin Blackburn, Balaji Ramalingam

Petr Walczysko

University of Dundee
The OME Consortium

Open Microscopy Environment
Centre for Gene Regulation & Expression
School of Life Sciences, University of Dundee
Dundee, Scotland, UK

Training users

○ Resources

- online help providing training workflows
 - <http://help.openmicroscopy.org/>
- using and adapting training material
 - <http://help.openmicroscopy.org/resources.html>
- online documentation aimed at all users
 - <http://www.openmicroscopy.org/site/support/omero/>
- presentations given by the OME team and others
 - <http://downloads.openmicroscopy.org/presentations/>
- OME YouTube channel
 - <http://www.youtube.com/channel/UCyySB9ZzNi8aBGYqcxSrauQ>

Training users

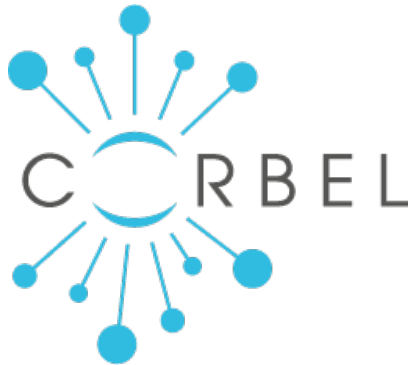

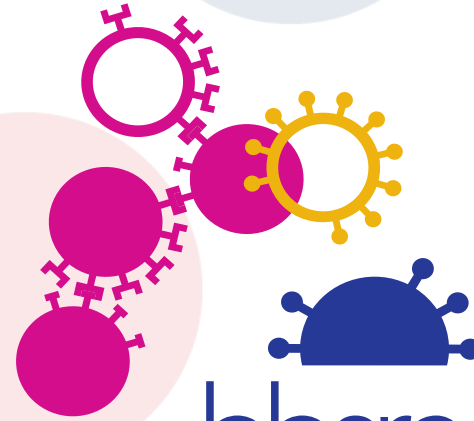

- OMERO.figure

- a web app for creating publication-ready figures
- fast figures from your OMERO images
- shortcuts for common tasks
- share and publish your figures
- a great way of selling OMERO to users
- <http://figure.openmicroscopy.org/>
- <http://help.openmicroscopy.org/figure.html>
- **over to Petr for a quick demo**

Some useful links

- OMERO Downloads:
 - <http://downloads.openmicroscopy.org/omero/>
- OMERO Help Pages:
 - <http://help.openmicroscopy.org/>
- OMERO Forums:
